Dear Mr. McCree:

I began as director of the McCracken County, KY Office of Emergency Management on February 1, 2014. I would like to request to be copied on NRC correspondence concerning the Honeywell Specialty Products Plant, Metropolis, IL (located in Massac County, immediately north of McCracken County, KY).

My name should replace the name of Mr. Doug Harnice who served as the interim emergency management director for McCracken County until my appointment as permanent director. My contact information is listed below.

Thank you.
