RE: Request for Amendment to License # 37-20647-01

To whom it may concern:

This letter serves as a request to amend our license (#37-20647-01) to add two storage locations for our Nuclear Density Gauges. We currently have a need to keep gauges on hand at the following locations in Danbury, CT and Greenwich, CT, respectively:

Gannett Fleming Inc.  
1 Padanaram Road, Suite 26  
Danbury, CT 06811

Gannett Fleming Inc.  
143 Sound Beach Ave.  
Greenwich, CT 06870

The gauges are currently stored at 430 New Park Ave., West Hartford, CT 06110. All NRC requirements for storage will be met and monitored at this location. Records will also be maintained on site, to include amendments to the license.

If you have any questions or require further information, please contact Matthew Vaughn at 717-763-7212, extension 2570, or Debra Wilhelm at extension 2454.

Very truly yours,

GANNETT FLEMING, INC.

Thomas B. Pursel, P.E.
