Chief Cindy Bladley

U.S. Nuclear Regulatory Commission, Office of Administration, OWFN 12

Dear Chief Bladley,

In reference to Docket ID: NRC-2009-0337 we are strongly opposed to the proposed expansion of Turkey Point Power Plant, located in Homestead, Florida. The site proposed for expansion is located directly on the shores of Biscayne National Park in an area that is extremely susceptible to sea level rise and the impacts of climate change. The expansion of Turkey Point could have serious environmental impacts on sensitive ecological habitat and the health and sustainability of limited freshwater resources.

As the voting constituents of your administration, we strongly oppose the expansion of nuclear power generating facilities, specially at Turkey Point.

Sincerely,

Mr. P. Durieux
