DISCLAIMER

This is an unofficial transcript of a meeting of the United States Nuclear Regulatory Commission held on June 1, 1995 in the Commission's office at One White Flint North, Rockville, Maryland. The meeting was open to public attendance and observation. This transcript has not been reviewed, corrected or edited, and it may contain inaccuracies.

The transcript is intended solely for general informational purposes. As provided by 10 CFR 9.103, it is not part of the formal or informal record of decision of the matters discussed. Expressions of opinion in this transcript do not necessarily reflect final determination or beliefs. No pleading or other paper may be filed with the Commission in any proceeding as the result of, or addressed to, any statement or argument contained herein, except as the Commission may authorize.

CHAIRMAN SELIN: John, do you want to lead us through the --

SECRETARY HOYLE: Yes, sir. There are two affirmations today.

The first one is SECY-95-124 concerning Kenneth G. Pierce case. The Commission is being asked in this paper to act on an order responding to the NRC staff's Petition for Review of the Licensing Board's initial decision in this case and a motion of Commonwealth Edison Company for leave to file amicus curiae.

The Board's initial decision exonerated charges against Mr. Pierce, who is a reactor operator for Dresden. All of you have approved an order denying the petition for review and the order also grants Commonwealth Edison's Motion for Leave to File amicus curiae to the extent that it seeks permission to file an answer to the staff's petition and denies it as moot to the extent that it requests permission to file a full brief.

Please affirm your votes.

CHAIRMAN SELIN: Aye.

COMMISSIONER ROGERS: Aye.

COMMISSIONER de PLANQUE: Aye.

COMMISSIONER JACKSON: Aye.

1 SECRETARY HOYLE: The second item is SECY-95-116,
2 Final Amendments to Part 72 of the Commission's Rules. The
3 Commission is being asked to approve final amendments to the
4 regulations to implement emergency planning licensing
5 requirements for independent spent fuel storage facilities
6 and monitored retrievable storage facilities. All of you
7 have approved the amendments with some edits that we got
8 from Commissioners.

9 Please affirm your votes.

10 CHAIRMAN SELIN: Aye.

11 COMMISSIONER ROGERS: Aye.

12 COMMISSIONER de PLANQUE: Aye.

13 COMMISSIONER JACKSON: Aye.

14 SECRETARY HOYLE: Thank you.

15 CHAIRMAN SELIN: Thank you.

16 [Whereupon, at 11:28 a.m., the meeting was
17 concluded.]
