RE: Renewal & Amendment of XCOM 1246

Dear Deputy Director,

Please find an NRC export license application, enclosed, to renew the current export license XCOM 1246. This application requests to renew this license past its current expiry date of July 31, 2015 until 20 years from that date.

As the license currently covers the export of nuclear systems and components under 10 CFR 110, Appendix A, Paragraphs (1)-(9), we would like to change that to include the now expanded Appendix A, Paragraphs (1)-(11). Additionally, we are requesting to delete Stone & Webster Asia, Inc. from "Other Parties to Export" and replace it with its new legal name, CB&I Stone & Webster Asia, Inc.

As requested by the NRC, we have included a contact name and details for both the Sanmen and Haiyang sites in China, [REDACTED]

[REDACTED]. This contact information, as well as the total value of items to be exported, is proprietary information and is to remain confidential as per the attached Application for Withholding Proprietary Information from Public Disclosure and an Affidavit in conformance with the requirements of 10 CFR Section 2.390. No other changes to the license are requested at this time.

A check for \$1,400 to cover the NRC export license renewal and amendment application fee is also enclosed.

Should there be any questions on this request, please call the undersigned at 724-940-8198.

Thank you for your attention to this request.

Sincerely,

Erin P. McBride-Lovas
