RE: Material License Transfer

Material Licensing Department:

This letter is to notify the NRC that Thumb Testing, LLC is requesting the transfer of Material License 21-32603-01 to Davis Land Surveying & Engineering, PC (DLSE). Ray Davis and myself are President and Vice President of both companies. Said companies are specifically:

Thumb Testing, LLC
415 West Nepessing Street
Lapeer, MI 48446
P810-667-6789, Fx810-667-8980
Email: none

Davis Land Surveying & Engineering, PC
415 West Nepessing Street
Lapeer, MI 48446
P810-667-6789, Fx810-667-8980
Email: info@davislandsurv.com

Thumb Testing, LLC is planned to be dissolved in 2015. Therefore, a transfer of the license to DLSE is necessary. All provisions, regulations, requirements, etc. of the license shall be maintained and adhered to by DLSE. All historical and current files regarding the Material License have been, and are currently, maintained at 415 West Nepessing Street. There shall be no physical change in material storage, location, safety program, etc. We are requesting a change in name only and that the Radiation Safety Officer for the license, after the transfer, shall be Russell Davis. The contact person for DLSE shall be myself, Corwin Mabery, PE.

Russell Davis has been certified for nuclear density gauge operation and safety since 2006. He has worked with Mike Lents, the former RSO, on several projects. Russell Davis was present for our previous safety inspection and routinely inspects and maintains all aspects of the gauges. He is certified by Michigan Department of Transportation for density operation. He is also the Construction Manager for MDOT and local projects. Russell Davis can be contacted at 810-667-6789.

The following information corresponds with Appendix F, NUREG-1556, Volume 15.
