Lisle, IL. 60532-4352

Dear Sir or Madam:

Kinnco Services LLC owned by Mark Kinney, John R. McDowell, and Don Wainman FED ID 20-2073473 has bought 100% of Kinnco Inc. FED ID 38-2002405 stock and assets owned by Sandra Kinney and Susan Kinney

Kinnco Inc. has a Materials License Number 21-21045-01 for one source not to exceed 1500 millicuries. This is a NDT Systems, Inc. Tube Wall Caliper Models 13640B Source holder for pipe thickness measurements with a 1.5 Curie Cesium-137 source.

Don Wainman is currently the RSO for Kinnco Inc. and will continue with this duty with the new company. The Material will be used and cared for in the same manner as for Kinnco Inc. with safety of employee's and public and security of the source being of up most importance. The source will continue to be stored at 8389 M-72 Williamsburg MI. and tested for leakage and/or contamination on a 6 month interval. All personal working with or near the source will wear a dosimeter and receive training in the safety and operation of the source. Records pertaining to this source will be maintained at Kinnco Services LLC 8389 M-72 Williamsburg, MI. 49690. Dosimeters will be tested quarterly and records maintained ant 8389 M-72 Williamsburg MI. There will be no change in equipment or operation of the equipment.

The Licensed material shall be used by, or under the supervision of Don Wainman, Mark Kinney, Zach Lutes or John Weighman

Kinnco Services LLC will continue to abide by all commitments, constraints, license conditions, requirements, representations, and obligations that Kinnco Inc. has in the past. We have included a copy of the last safety inspection from 05/22/2012 and copies of the last few leak test and dosimeter test.

Sincerely,

Don Wainman
Member, Treasurer, RSO
