Subject: Phase 0 Meeting for RadICS Digital I&C Platform Topical Report"

Reference: Research and Production Corporation Radiy letter to NRC dated May 12, 2015,  
"Radiy submittal of RadICS Digital I&C Platform Topical Report"

A public meeting between Radiy and the NRC technical staff is scheduled for July 14, 2015, to discuss various topics related to the planned submittal of RadICS Digital I&C Platform Topical Report. This meeting is considered a Phase 0 meeting, as described in DI&C-ISG-06, "Licensing Process." Radiy is submitting the enclosed information to support the meeting. As discussed with the NRC, some of the material to be presented is considered proprietary:

Radiy requests that the proprietary document be withheld from public disclosure. In accordance with 10 CFR 2.390, "Public inspections, exemptions, requests for withholding," an affidavit is enclosed identifying the specific portions of the above documents that are proprietary and the basis for making that determination. Non-proprietary versions of the documents are also provided with the proprietary information redacted.

Enclosure 1 provides the proprietary presentation material for the closed meeting.

Enclosure 2 provides the non-proprietary version of the presentation material.

Enclosure 3 provides an affidavit related to the proprietary material in Enclosure 1.

If you have any questions related to this submittal, please contact me at 423-834-4455 or by e-mail at [mjburzynski@newclearadayinc.com](mailto:mjburzynski@newclearadayinc.com).

Sincerely,

A handwritten signature in black ink that reads "Mark J. Burzynski". The signature is written in a cursive, flowing style.
