### Subject: RAI, Lack of Appendix N information

Discussion: I discussed with Mr. Brown that the letter dated June 19, 2015, did not include Appendix N information to allow them to do the non-routine maintenance. Since I need to issue the renewal this week because the license was going to transfer to Chemours in July and it should not be in timely renewal. I suggested that we remove the non-routine items from the license and that he could request an amendment after the new license is issued for Chemours. He concurred with not having the allowance at this time.

Action Required: Issue Renewal
