Subject: Correction needed on license

Discussion: LT Moran called me regarding the amendment request dated 1/29/2015. The amendment requested removal of one room and the addition of two rooms where licensed material was used/stored. It also requested the removal of an AU. When the license was amended on April 30, 2015, the AU requested to be removed was still on the license. LT Moran called to inform me of the error and to request the AU be removed. I explained that we will do a corrected copy and apologized for the oversight.

Action Required: Place into ADAMS
