Subject: [External_Sender] FOIA Request

Good afternoon,

This is a request under the Freedom of Information Act.

I request electronically (e.g. pdfs on a CD-ROM or via email) the **total number of inspectors employed by the Nuclear Regulatory Commission in every year for which data exists beginning in 2000**. Additionally, I would like the number of total inspectors by state. If the inspectors by state do not exist, I would instead accept the number of inspectors by region.

In order to help to determine my status to assess fees, you should know that the Center for Effective Government is a non-profit educational institution, and this request is made for educational purposes and not for a commercial use.

I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest.

Thank you for your consideration of this request.
