Thank you for soliciting public comments on this project. I was the mayor of the Village of Pinecrest from 1996-2004 and a member of the Miami-Dade County Public School Board from 2004 - 2008. I worked amicably with FPL on many projects but must express deep and substantial opposition to the installation of high intensity power poles along US 1, a project which will impact the many diverse communities along this corridor and near Turkey Point in Miami-Dade County.

The concerns and objections to this project were succinctly expressed in the following article:

Please add my objection to this enormously impactful and dangerous project.

Thank you
Evelyn Greer
