Dear Ms. Weidner:

This letter is to inform you that the required training under license 08-30577-01 for the Radiation Safety Officer for MedStar Georgetown University Hospital, Guiseppe Esposito, MD, DABR, is complete. The training was provided by a total of three individuals, two of which are working under our license as an Authorized User, Dr. Keith Unger and an Authorized Medical Physicist DaLong Pang, PhD. The third person who conducted training with Dr. Esposito is the Temporary RSO Sandra Konerth, MS, DABR, DABMP. The attestation form, along with Dr. Esposito's certificate for the MRSO class he took with Dade Moeller in 2010 is attached.

Please let us know if you need any other information.

Sincerely,

Angela M. Jones

**Focused on You**

Training for Dr. Giuseppe Esposito (Radiation Safety Officer)

Training will consist of the following:

- 1) An authorized user for HDR and LDR Brachytherapy Sources will present training for radiation safety and emergency procedures as well as regulatory issues.

Comments: \_\_\_\_\_

  
Signature of AU

6-11-15  
Date

Keith Unger MD  
Printed Name of AU

- 2) An Authorized Medical Physicist for the HDR and LDR Brachytherapy Sources will present training for radiation safety and emergency procedures. The instruction will include specific attention to radiation safety procedures, and steps to take if needed to secure sources, or in the event of an HDR source not returning to the housing.

Comments:  
Radiation and Emergency training was provided by  
Dalong Pang, PhD in conjunction with Keith Unger MD  
on HDR and seeds of Pd103, Cs-137, Ir-192 I-125

  
Signature of AMP

6/2/15  
Date

Dalong Pang, PhD  
Printed Name of AMP

- 3) A Member of Dade Moeller Health Group (Temporary RSO) will coordinate and oversee training for regulatory issues, radiation safety and emergency procedures as they relate to LDR and HDR Brachytherapy use.

Comments:  
discussed 10CFR35, provisions of the  
Board scope license, regulations specifically pertaining  
to the HDR and LDR procedures.
