Re: License # 13-32585-01

To Whom It May Concern,

This letter is to inform you that we are merging with the local hospital and will be closing our Nuclear Medicine Department on Tuesday September 1st, 2015. All radioactive materials will be transferred to the Community Hospital at 901 MacArthur Blvd. Munster, IN 46321. A closeout survey will be completed for the use and storage location at 1730 45th Street to ensure there is no contamination or radioactive materials remaining. A copy of the closeout survey and a NRC Form 314 Certificate of Disposition of Materials will be sent to your attention once the use and storage of radioactive materials has ceased.

Our mailing address will remain the same; please contact us if additional information is needed.

Thank You

Sincerely,

Shashidhar Divakaruni, M.D., Owner
