Subject: Oconee Nuclear Site, Units 1, 2, and 3  
Docket Nos. 50-269, 270, and 287  
Confirmation of implementation of recommended actions  
related to Generic Letter 89-13.

By letter dated February 8, 1991 the NRC required Duke Power Company to confirm to the NRC that all the recommended actions or their justified alternatives have been implemented within 30 days of implementation of the final action. This letter confirms that all initial tests or activities have been completed and that continuing programs have been established to verify the adequacy of the Oconee service water systems and safety related heat exchangers to perform their functions as designed.

Very truly yours,

  
J. W. Hampton
