Re: Oconee Nuclear Station
I.E. Inspection Report
50-269/81-18
50-270/81-18
50-287/81-18

Dear Mr. O'Reilly:

My letter of September 8, 1981 transmitting Duke Power Company's response to the violation of the subject Inspection Report did not state the date of full compliance for the corrective actions taken. In order to supplement that response, this information is being provided. The referenced procedure was issued and the training was completed by August 21, 1981.

Very truly yours,

William O. Parker, Jr.
