Inspection Report Nos. 50-269, 270, 287/89-25

Gentlemen:

By a letter dated October 9, 1989, I had provided a written response to a notice of violation that was identified within Inspection Report 50-269, -270, -287/89-25. In my response to part B of the violation I had committed to completing all of my corrective actions by December 22, 1989. Please be advised that this date needs to be changed to April 10, 1990 due to the need for additional time to complete all of the necessary revisions to affected station directives.

If you have any questions regarding this issue please do not hesitate to contact us through the normal licensing channels.

Very truly yours,

Hal B. Tucker
