P.O. Box 31995
Jackson, MS 39286-1995

SUBJECT: REQUEST FOR WITHDRAWAL OF COMBINED LICENSE APPLICATION FOR
GRAND GULF NUCLEAR STATION, UNIT 3

Dear Mr. Ford:

By letter dated February 27, 2008, Entergy, Operations, Inc., (EOI), submitted an application to the U.S. Nuclear Regulatory Commission (NRC) for a combined license (COL) for a single unit of the Economic Simplified Boiling-Water Reactor (ESBWR). This reactor would be identified as Grand Gulf Nuclear Station, Unit 3 (GGNS3) and located adjacent to the current Grand Gulf Nuclear Station (GGNS) site in Claiborne County, Mississippi. The COL application was accepted for docketing on April 17, 2008 (Docket Number 52-024) (Agencywide Documents Access and Management System (ADAMS) Accession No. ML081050460). By letter dated January 9, 2009, EOI requested that the NRC temporarily suspend the COL application review, including any supporting reviews by external agencies, until further notice (ADAMS Accession No. ML090130174). The NRC granted the suspension request (ADAMS Accession No. ML090080523). By letter dated February 9, 2015, EOI requested the NRC to withdraw the GGNS3 COL application, including the Safeguards/Security Part, from the docket (ADAMS Accession No. ML15040A078). The purpose of this letter is to acknowledge your February 9, 2015, letter and provide you our response.

In accordance with the requirements of Title 10 of the *Code of Federal Regulations* (10 CFR) Part 2, Section 2.107(a), and on the basis of the statements contained therein, your request to withdraw the GGNS3 COL application from the docket is acceptable to the NRC. Enclosed with this letter is a copy of the *Federal Register* Notice announcing the withdrawal of the application from the docket, as required by 10 CFR 2.107(c). The staff communicated, with Guy Davant of your staff, via a telephone call that the NRC staff would need to spend a few hours to administratively close out the application. Mr. Davant stated that EOI agrees to pay as long as the charges are reasonable.

B. Ford
