In the matter of
Pacific Gas and Electric Company
Diablo Canyon Nuclear Power Plant
Units 1 and 2

Docket Nos. 50-275-LR
50-323-LR

**SAN LUIS OBISPO MOTHERS FOR PEACE'S UNOPPOSED
MOTION FOR EXTENSION OF TIME TO FILE REPLY**

Pursuant to 10 C.F.R. §§ 2.323, San Luis Obispo Mothers for Peace (“SLOMFP”) seeks an extension of time to respond to anticipated responses by Pacific Gas & Electric Company (“PG&E”) and the U.S. Nuclear Regulatory Commission (“NRC”) Staff to SLOMFP’s Motion to File Amended Contention C (Inadequate Consideration of Seismic Risks in SAMA Analysis as Supplemented by SHU-SAMA Evaluation) (July 31, 2015). Pursuant to 10 C.F.R. § 2.309, these responses are due tomorrow, August 25; and SLOMFP’ reply is due on September 1.

SLOMFP requests an extension of time to file its reply until September 14, due to an unexpected and serious illness in undersigned counsel’s immediate family, which requires her full attention for an uncertain period. SLOMFP does not have other counsel to prepare the reply.

Counsel for SLOMFP has been authorized to state that PG&E and the NRC Staff do not oppose this motion.

Respectfully submitted,

[Electronically signed by]
