Reply to Notice of Violation - Revision

Dear Sir:

By letter dated September 24, 1993 the NRC issued a Notice of Violation as described in Inspection Report No. 50-269, 270, 287/93-23. On October 25, 1993, Duke Power Company submitted a reply to the notice of violation. On March 28, 1994, Duke Power Company requested extension of the commitment date to evaluate possible enhancements to the Post Maintenance Testing (PMT) program until January 31, 1995.

This letter is to inform you of a change in the commitment completion date. The scope of the project doubled during the initial review process. This combined with publishing constraints has forced the team to adjust its completion date to June 1, 1995.

If you have any questions, please contact Judy E. Smith at (803) 885-4309.

Very truly yours,

J. W. Hampton
