Subject: Duke Power Company
Topical Report DPC-NE-2007; Correction

By letter dated January 2, 1995 (should have been dated 1996), Duke submitted 15 copies of the proprietary version of the subject topical report, and 12 copies of what should have been the non-proprietary version. Attached are 12 copies of the corrected non-proprietary version. We regret any problems this may have caused.
