Attention: Mr. J. F. Stolz, Chief
Operating Reactors Branch No. 4

Reference: Ocone Nuclear Station
Docket Nos. 50-269, -270, -287

Dear Sir:

On October 14, 1981 representatives of Duke Power Company, TVA and Aerojet met with the NRC to discuss licensing of the Aerojet Fluid Bed Incinerator. During this meeting the Staff stated that utilities intending to file a request to incinerate should advise the Staff by letter in order to aid the NRC in manpower resource planning.

By this letter, Duke Power Company hereby provides such notification to the NRC Staff. It is our intent that a request for approval to incinerate radwaste will be provided during the first quarter of 1982 referencing Aerojet Topical Report No. 3.

Very truly yours,

William O. Parker, Jr.
