Docket Nos. 50-269, -270, -287

Dear Sir:

This letter supplements my letter of March 24, 1980 and confirms conversations held with the Staff this past week related to the testing of loss of NNI/ICS power on Oconee 1.

If it is determined, based on the tests on Oconee 2 and 3, that a test on Oconee 1 is needed, then that test will be completed within 90 days of the date of the order.

Very truly yours,

William O. Parker, Jr.
