Director, Division of Power Supply
and Reliability
Economic Regulatory Administration
Room 4002
2000 M Street, N. W.
Washington, D. C. 20461

Dear Mr. Weiner:

In our telephone conversation on August 1, 1980 you confirmed information provided to the NRC by Duke Power Company that a critical situation existed concerning electrical power generation in the region served by Duke. The NRC staff has taken a regulatory action with respect to Duke Power Company.

We request that you confirm in writing your appraisal of the Duke Power Company's situation concerning electrical power generation as of August 1, 1980. Please provide your response as soon as possible.

Sincerely,

Original signed by
