Docket Nos. 50-269, -270, -287

Dear Sir:

With regard to your letter dated September 9, 1980 regarding the classification of the Standby Shutdown Facility (SSF) licensing document submitted by my letter of March 28, 1980, Duke Power disagrees with the Staff's conclusion. The entire SSF and thus the document describing it are classified and should be withheld from public disclosure per 10CFR 2.790(d)(1). The basis of this is provided in the design evaluation of the document.

This matter was discussed with the Oconee Project Manager and he has concurred with our position. Thus, no "non-withheld" versions of the document will be submitted.

Very truly yours,

  
William O. Parker, Jr.
