Re: Docket Nos. 50-269, 50-270 & 50-287  
Oconee Nuclear Station  
Order for Modification of License  
Concerning Environmental Qualifications  
of Safety Related Electrical Equipment

Dear Mr. Eisenhut:

I have reviewed your letter of January 16, 1981, which responded to my letter of December 3, 1980, requesting a hearing on the above matter. You indicate that you are holding my request in abeyance until 30 days after the issuance of the safety evaluation for the Oconee Nuclear Station. This procedure, as set forth in your letter of January 16, 1981, is acceptable to Duke Power Company.

Very truly yours,

William L. Porter

WLP/fhb
