Re: Oconee Nuclear Station  
Docket Nos. 50-269, -270, -287

Dear Sir:

This letter supplements my letter of April 3, 1981 and provides copies of two reports prepared by Babcock & Wilcox for Duke Power. The first is entitled "Babcock & Wilcox's Post Test Evaluation of LOFT Test L3-1, May 1981"; the second is "Babcock & Wilcox's Post Test Evaluation for Semiscale Test S-07-10D".

With the submittal of these two reports, it is considered that the concerns contained in the original NRC letter of February 24, 1981 have been adequately addressed.

Very truly yours,

*William O. Parker, Jr.*
