Re: Oconee Nuclear Station
McGuire Nuclear Station
Docket Nos. 50-269, -270, -287
50-369, -370

Dear Mr. Denton:

Representatives of Duke Power Company and the NRC met on July 8, 1981 to discuss Duke's plans for complying with the guidance for emergency response facilities as contained in NUREG-0696 (reference my letter of June 1, 1981). Confirming discussions with Mr. Vic Stello in that meeting, Duke will implement the data transmission system described in my June 1, 1981 letter. If and when further evaluation based upon additional experience indicates needs beyond Duke's planned capabilities, we will augment our data transmission system at that time.

Very truly yours,

William O. Parker, Jr.
