Subject: [External_Sender] Docket Nos. PRM-20-28, PRM-20-29, and PRM-20-30, NRC-2015-0057

Dear Secretary,

I am opposed to any lessening of radiation protection standards and appalled that we have to debate whether radiation is harmful (proven), or even good for us (disproven). This petition is without merit. Please consider raising not lowering the bar.
