Subject: B&WOG Report in Response to May 27, 1997 Request for Information

Reference: Letter to W. W. Foster (Duke Power Company) from J. L. Birmingham (US NRC), dated May 27, 1997; Subject: Request for Information Relative to the High Pressure Injection/Makeup Line Crack Found at Oconee Unit-2

Gentlemen:

The referenced Request for Information letter was transmitted to me on May 27, 1997. Attached to the letter was a list of questions relating to the high pressure injection/makeup line crack found at Oconee Unit 2 and the generic implications for the other B&W Owners Group plants. It was agreed that an interim report would be provided with a partial response to the attached questions by June 6, 1997.
