Docket # 030-02396
License # 25-07553-01
Mail Control # 586590

Mr. Fitz,

This email is in response to your application dated April 2, 2015, requesting to renew the material license for St. Vincent Healthcare. In order to continue our review, please the following additional information.

1. Please confirm that you are increasing your possession limit for any byproduct material permitted by 10 CFR 35.300 from 700 millicuries to 900 millicuries total.
2. Please confirm that you are requesting to remove Drs. Hanson, Cheeks, and Stears from your material license.
3. Please confirm that you have not made any changes to your permanent manual brachytherapy program involving the SIR-Spheres and TheraSpheres and that you will commit to follow all requirements for Y-90 as described in the Microsphere Brachytherapy Sources and Devices, Licensing Guidance, dated June 2012, as previously stated in your letter dated August 8, 2014.

Please submit your response by August 28, 2015. You may fax your signed response to 817-200-1263, referencing mail control 586590. When you send the fax, you may wish to leave a voicemail or e-mail message to alert me to look for it. If you are submitting your response by email, the response must be submitted in pdf format. Please send me an e-mail or call me at 817-200-1590 if you have any questions.
