Subject: [External_Sender] Please Do Not Renew Camecos License

Hello,

My name is Joseph Kowalski. I currently live in California but spent a good deal of time living in the Pine Ridge reservation volunteering in the school system. When I lived out there I got to know firsthand how uranium mining has effected the local water supplies and damaged the health of the good Lakota people. I urge you to please deny Cameco's request to renew uranium mining. They have proven themselves to be unreliable and consider profit as more important than the health of the people.

Thank you,

Joseph Kowalski
