August 25, 2015

ATTN: Document Control Desk/GLTS
Director, Office of Federal and State Materials and Environmental Management Programs
U.S. Nuclear Regulatory Commission
Washington DC 20555-0001

In fulfillment of the requirements of 10 CFR 31.5 (c)(8), we hereby notify you that on July 27, 2015, the self-luminous exit signs listed on the attached spreadsheet were shipped to:

Environmental Recycling
527 East Woodland Circle
Bowling Green, OH 43402
License # OHR 000-034-025

The signs were received at the above listed facility on August 3, 2015.

As required, for each sign listed on the spreadsheet, we included the name of the manufacturer, model number, and serial number.

If you should have any questions, please contact me at 636-327-2533.

Sincerely,

Vickie Heberlie
Environmental Engineer

- All mercury devices must be packaged in DOT-approved drums / pails to prevent the possibility of leaking.
- Lithium batteries must be packaged separately and all terminals protected. Additional labeling is required.
- Batteries must be prepared and packaged for transport in a manner to prevent a dangerous evolution of heat, short circuiting, or damage to terminals via individual packaging of each battery or taping of terminals. Typical battery types include Ni-Cd, NI-MH, mercury, zinc air, and alkaline batteries.
- Per DOT Letter of Clarification Ref. # 09-0295 dated January 8, 2010.

DF	Drum, Fiber
DM	Drum, Metal
CF	Container, Fiber (Box)
CM	Container, Metal
CW	Container, Wood (Pallet)

After printing this label:

1. Use the 'Print' button on this page to print your label to your laser or inkjet printer.
2. Fold the printed page along the horizontal line.
3. Place label in shipping pouch and affix it to your shipment so that the barcode portion of the label can be read and scanned.

Warning: IMPORTANT: TRANSMIT YOUR SHIPPING DATA AND PRINT A MANIFEST:

At the end of each shipping day, you should perform the FedEx Ground End of Day Close procedure to transmit your shipping data to FedEx. To do so, click on the Ground End of Day Close Button. If required, print the pickup manifest that appears. A printed manifest is required to be tendered along with your packages if they are being picked up by FedEx Ground. If you are dropping your packages off at a FedEx drop off location, the manifest is not required.

Use of this system constitutes your agreement to the service conditions in the current FedEx Service Guide and applicable tariff, available upon request. FedEx will not be responsible for any claim in excess of \$100 per package, whether the result of loss, damage, delay, non-delivery, misdelivery, or misinformation, unless you declare a higher value, pay an additional charge, document your actual loss and file a timely claim. Limitations, including limitations on our liability, can be found in the current FedEx Service Guide and applicable tariff apply. In no event shall FedEx Ground be liable for any special, incidental, or consequential damages, including, without limitation, loss of profit, loss to the intrinsic value of the package, loss of sale, interest income or attorney's fees. Recovery cannot exceed actual documented loss. Items of extraordinary value are subject to separate limitations of liability set forth in the Service Guide and tariff. Written claims must be filed within strict time limits, see current FedEx Service Guide.
