Attention: Dave McGuire

Subject: Notification of Spent Fuel Shipments 122-131

This letter and attached shipping schedule are provided to inform the Commission of Duke Power Company's intent to continue shipments of spent fuel from Oconee Nuclear Station to McGuire Nuclear Station. Duke Power Company will be both shipper and receiver. The mode of transit will be truck-trailer and the carrier will be McGill Specialized Carriers.

We will notify you by telephone of schedule changes in excess of 6 hours. In compliance with 10 CFR 73.37, all schedule change notifications will reference the attached schedule only.

T. F. Wyke, Chief Engineer
Mechanical and Nuclear Division
