Mr. John F. Doherty
318 Summit Avenue
Apt. No. 3
Brighton, MA 02135

Dear Mr. Doherty:

On December 4, 1985, I forwarded to you a copy of my "Director's Decision Under 10 CFR 2.206," DD-85-19, denying your petition of June 11, 1985, requesting the issuance of an order under 10 CFR 2.202 to certain licensees to show cause why their operating licenses should not be suspended or revoked until the problem identified in IE Information Notice No. 85-38 is resolved. I have determined that it is appropriate to supplement and thereby clarify my Decision. Accordingly, my Decision of December 4, 1985, is hereby withdrawn and replaced with the enclosed Director's Decision issued this date.

A copy of this Decision will be filed with the Secretary of the Commission for its review in accordance with 10 CFR 2.206(c) of the Commission's regulations. As provided by this regulation, the Decision will constitute the final action of the Commission 25 days after the date of issuance of the Decision unless the Commission, on its own motion, institutes a review of the Decision within that time period.

I have also enclosed for your information a copy of the notice that is being filed with the Office of the Federal Register.

Sincerely,

Original Signed By
H. R. Denton

Harold R. Denton, Director
Office of Nuclear Reactor Regulation
