**RE: *Delegating Authority Over NRC Licensing Actions and Radiation Safety Program
(Required by 10 CFR 35.24)***

Dear Dr. Byerly:

I delegate you Dr. Wesley Byerly, Associate Vice President for Research - Research Compliance Services, authority to act upon all Nuclear Regulatory Commission licensing requirements, including but not limited to, signing all necessary documents for licensing actions effective October 1, 2015. Dr. Byerly, in conjunction with the UConn Health's Radiation Safety Committee, shall approve in writing any individual before allowing that individual to work as an Authorized User, Authorized Nuclear Pharmacist, or Authorized Medical Physicist. Dr. Byerly, in conjunction with the Radiation Safety Committee, shall approve changes in the radiation protection program that do not require a license amendment. Documentation of all such delegated actions will be provided through the minutes of the Radiation Safety Committee meetings.

Sincerely yours,

Andrew Agwunobi, M.D.
Executive Vice President for Health Affairs
