RE: Decommissioning Financial Assurance – Standby Trust Agreement for the Hematite Decommissioning Project (License SNM-33) and the Columbia Fuel Fabrication Facility (License SNM-1107) (Proprietary and Non-Proprietary versions) and Letter of Credit (Non-Proprietary version) and Affidavit

Dear Director:

Westinghouse Electric Company LLC (“Westinghouse”) is demonstrating financial assurance for decommissioning of the above referenced facilities for the current fiscal year through submission of a Letter of Credit and related Standby Trust Agreement. The Letter of Credit (Proprietary) was submitted separately and was received by NRC on August 7, 2015. Subsequently, NRC requested that the Letter of Credit be revised. The revised Letter of Credit (Proprietary) was sent by overnight mail to NRC on August 17, 2015. Enclosed is Amendment No. 2 to the Standby Trust Agreement (Proprietary and Non-Proprietary copies). Please send me a copy of Amendment No. 2 to the Standby Trust Agreement after it has been executed by NRC.

Please note that both the Letter of Credit which was submitted and the enclosed documents contain Proprietary Information and should be withheld from disclosure pursuant to 10 CFR 2.390. Also enclosed with this letter are an Application for Withholding Proprietary Information from Public Disclosure and an Affidavit and non-proprietary versions of the Letter of Credit and the Standby Trust Agreement. The Affidavit sets forth the basis on which the information identified as proprietary may be withheld from public disclosure. Correspondence with respect to the proprietary aspects of the application for withholding or the Westinghouse Affidavit should reference AW-15-4255 and should be addressed to the undersigned.

Westinghouse previously had submitted a Parent Guarantee as financial assurance for the subject facilities and requests that, upon review and acceptance of the Letter of Credit and Standby Trust Agreement, NRC return the Parent Guarantee to Westinghouse with written confirmation that the Parent Guarantee is no longer required.
