Frank Tran  
Materials Licensing Branch  
U. S. Nuclear Regulatory Commission Region III

Re: Radioactive Materials License application for portable gauges

The following attachment containing item 8 has been revised in accordance with your email to Mark Kalahar requesting additional information dated August 31, 2015. I would like a copy our license emailed to me when completed.

Please call me @ 952-995-2512 if you have any questions or need additional information.

Greg Ebeling  
Corporate Radiation Safety Officer

**USNRC Portable Gauge Application**

**Item 4**

## **USNRC Portable Gauge Application**

### **Item 8**

Before using licensed materials, authorized users will have successfully completed one of the training courses described in the criteria in the section titled "Training for Individuals Working in or Frequenting Restricted Areas" in NUREG-1556, Volume 11, Revision 1, dated November 2001".
