Dear Mr. Lodhi:

Effective August 28, 2015, Heller and Johnsen will transfer control of three Troxler model 3430 nuclear density gauges, serial numbers 19529, 19531 and 29022 to GZA GeoEnvironmental, Inc. as part of a buyout of Heller and Johnsen by GZA GeoEnvironmental, Inc. Prior to the transfer, Heller and Johnsen will conduct leak tests on each gauge.

GZA's Radiation Safety Officer is Christopher Tonzi, 860-858-3113. He will be managing the gauges going forward.

Effective August 28, 2015, please terminate Heller and Johnsen Nuclear Gauge License 06-30033-01.

Very truly yours,

Lawrence F. Johnsen, P.E.
