**Subject:** Change of Ownership for Diagnostic Laboratories

Hi Celimar,

I have a new action involving a change of ownership. The initial document has already been declared an "Official Document" and is publicly available. The action is as follows:

Diagnostic Laboratories, LLC (NRC License Number 41-31476-01, Docket Number 030-38552, Mail Control Number 588227). The action can be found under ADAMS Accession Number ML15195A240.

If the action could be posted to the NRC website, that would be great. Please let me know if you need any additional information.

Thank you!

*Jan Nguyen*
