**Re: Confirmation of Change of Ownership and Updated Name of New Owner of NRC  
License No. 21-15638-01**

Dear Bryan,

On behalf of my client, Prime Healthcare Services – Port Huron, LLC, I am writing to confirm that my client's acquisition of the hospital formerly known as St. Joseph Mercy Port Huron (located at 2601 Electric Avenue, Port Huron, MI) has closed effective as of September 1, 2015. As of such date, my client is the new holder of License No. 21-15638-01, which I understand your office has approved to be transferred to my client from the previous owner.

I also write to request that an amendment to the NRC License No. 21-15638-01 be made to reflect the new name of the hospital, which my client has filed as a registered assumed name with the State of Michigan. The new name is "Lake Huron Medical Center". Please amend the license to reflect this change, as the new name will be the name by which my client uses in its day-to-day operations. Please let me know if you have any questions or additional requests. Thanks again for all your help throughout this process!

Very truly yours,

HONIGMAN MILLER SCHWARTZ AND COHN LLP

Great, thanks Bryan. Please see attached the signed letter regarding the change in the closing date. Please let me know if you have any additional questions regarding our application. That would be fantastic if you're able to complete the approval process for the license sometime this week.

Thanks again for your continued help!

Hey Josh,

This action was just removed from its 30-day posting, so I can now move forward on it. Can you send me a brief letter indicating the new closing date noted in your email below?

Just a brief letter signed by you will be fine. Scan it and attach to an email back to me. I should be able to complete this action by 9/1.

Thanks.  
Bryan

Thanks Bryan – however just want to let you know that the change of control has been pushed back from August 1, 2015 to September 1, 2015. Please let me know if there are any additional documents that we need to submit on account of this change. Good news is that you'll be able to approve it before the sale occurs. Thanks again for your help, please contact me with any questions.

Thanks,

Josh

Hi Bryan, this email is just to memorialize the conversation we had on 7/21/15 concerning the NRC license approval for Prime Healthcare Services – Port Huron, LLC (License No. 21-15638-01). As we discussed, the initial application letter was submitted around June 20, 2015 and officially “posted” for public comment on July 16, 2015. I understand that you are now on a holding pattern with respect to our application until the 30 day public comment period expires. As we discussed, even though our transaction will closing on August 1, 2015, the consent letter that your office will issue once you’re able to review the application (assuming all the required documentation and information is there) will ratify our client’s operations as of the closing date (August 1, 2015). Please let me know if you have any additional questions or comments – and thanks again for your help with this transaction!

Thanks,

Josh
