**SUBJECT: REQUEST FOR 10-DAY EXTENSION TO SUBMIT APPEAL REGARDING  
WHITE FINDING ASSOCIATED WITH THE DIVISION 3 SHUTDOWN  
SERVICE WATER PUMP**

Dear Mr. Hanson:

On August 11, 2015, the U.S. Nuclear Regulatory Commission (NRC) issued Inspection Report 05000461/2015009 which provided our final determination of a preliminary finding discussed in Inspection Report 05000461/2015001. Within this letter, the NRC provided you with 30 days to appeal the staff's determination of significance for the identified White finding and called your attention to the appeal criteria contained in Inspection Manual Chapter (IMC) 0609, Attachment 2.

On September 9, 2015, Exelon Nuclear submitted a letter to the NRC requesting a 10-day extension to appeal the staff's significance determination for the White finding. On September 10, 2015, Ms. Karla Stoedter, NRC, contacted Mr. Patrick Simpson, Exelon, to verbally approve the 10-day extension. Any appeal of the White finding must now be submitted in writing to the Regional Administrator, Region III by September 20, 2015. Such appeals will be considered to have merit only if they meet the criteria given in IMC 0609, Attachment 2.

B. Hanson
