Tim,

I have not been able to track down the mb microtec amendment request. It does not appear to have reached us. At this time I would suggest that you resend the application.

I have copied my Branch Chief Hipolito Gonzalez for awareness. It may be a good idea to send it to his attention.

Tim,

Was the amendment for mb microtec's sealed source and device (SSD) registration certificate? Or was it for their exempt distribution license?

I have not seen anything for their SSD certificate.

Thank you,  
Tomas

Dear Tomas,  
mb microtec recently submitted an amendment  
request to its exempt distribution license. Could  
you provide confirmation that you have received  
this amendment and a current status of it?

Thank you,  
Regards,
