RE: Lafarge Midwest Inc., Request for amendment to our license No. 21-25823-01

Lafarge is requesting an amendment to our license No. 21-25823-01. We intend to add a new materials analyzer to our inventory. Please add the new device and all sources listed for that device, on the device registry, to our license.

**Device Type:** MATERIALS ANALYZER

**Model:** XL Series, X1

**Manufacturer/Distributor:** SABIA Inc.  
2300 North Yellowstone Hwy.  
Idaho Falls, ID. 83402

**Device Registry Number:** NR-1195-D-104-S

If you have any questions regarding this, please contact me at 989-358-3307.

Sincerely,

A handwritten signature in black ink, appearing to read 'Richard Skiba'.
