RE: Disposal of Radioactive Exit Signs

Please find that Alyeska Pipeline Service Company (Alyeska) has disposed of the following tritium radioactive exit signs through SRB Technologies, Inc. (NC Radioactive Materials License # 034-0534-2). A total of 29 exit signs were returned for disposal on February 25, 2015 and March 21, 2015. The attached tables identify the manufacturer of the signs, serial numbers and installation locations. There are several signs that the install location is unknown.

If you have any questions please contact me at [edwardslt@alyeska-pipeline.com](mailto:edwardslt@alyeska-pipeline.com) or by phone at 907-787-8946.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda T. Edwards". The signature is fluid and cursive, written over the typed name.

Linda T. Edwards
