Dear Sir or Madam:

Riverview Hospital would like to amend its Byproduct Materials License, Number 13-16286-01, to change the licensee name to Riverview Health. The hospital has legally changed its name but there has been no transfer of control. Additionally, the mailing address of the hospital will remain as currently listed on the license.

Additionally, Riverview Hospital would like to add Parin Bhayani, M.D., Matthew M. Jones, M.D., and Matthew Locker, M.D. as Authorized Users of materials licensed under 10 CFR 35.100, 35.200, and 35.300 (limited to the oral administration of sodium iodide-131). Dr. Bhayani, Dr. Jones, and Dr. Locker are currently listed as Authorized Users for those authorizations on the NRC Byproduct Materials License of Northwest Radiology Network, Number 13-32258-01.

If there are any questions concerning this license amendment, please contact our nuclear medicine physicist, Mr. Bryce A. Caudle, at 317-443-9035.

Sincerely,
