

NRC Form 748 Information Collection Renewal Feedback

Respondent	Date	Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?	Is the burden estimate accurate?	Is there a way to enhance the quality, utility, and clarity of the information to be collected?	How can the burden of the information collection be minimized, including the use of automated collection techniques or other forms of information technology?
Mandie Hedger Alpha-Omega Services	6/29/15	Yes, Yes	Yes	No, self-explanatory.	No change – like the idea I can add a spreadsheet for the sources.
Cory Micheletti Non-Destructive Inspection	6/29/15	Yes, Yes	Yes	No	Seems pretty good to me.
Gary Winkler Applied Technical Services	6/30/15	Yes, Yes	Yes	No, efficient form.	It's fine, easier then Form 241. Helpdesk is great.
Joe Alonzo PetroChem Inspection Services	6/29/15	Yes, Yes	Yes, after training.	No	It works good the way it is.
Cory Ford Acuren Inspection Inc.	6/30/15	Yes, Yes	Yes	No. at first I was confused but now I understand.	It's fine the way it is.
Thomas Albritton Furmanite America, Inc.	7/10/15	The form is very useful in today's world. Saves a lot of time not having to fax. Also, the yearend function is great.	I believe I have done several quicker than that.	The form works very well the way it is now.	Not sure it can be. The way all are tracked now seems to be working well the way it is.
Larry Marks Amerapex Corp.	6/30/15	Yes, Yes	Yes	No, it's user friendly.	No, once the Helpdesk didn't receive my transaction when I hit the send button.
