Keith,

As discussed with you telephonically during the final exit briefing conducted on July 20, 2015, you will find the attached NRC Form 591M in reference to the NRC inspection conducted July 8, 2015, at your facility located at 2449 West Park Avenue, in Gray, LA. The inspection was an examination of activities conducted under your NRC license as it relates to safety, security and compliance with the Commissions' rules and regulations and with the conditions of the license. Within the scope of the this inspection, no violations were identified; therefore no response to this correspondence is required.

If you have any questions about the inspection or the 591M, please feel free to contact me.

Regards,

Rick Muñoz
