Comment on FR Doc # 2015-21072

Submitter Information

Name: Steve Johnston
Address:
1543 N. Plaza de Lirios
Tucson, 85745
Email: stj5@earthlink.net

General Comment

Please do not allow the NRC to become captive (again) of the nuclear power industry. As our planet becomes more and more polluted with carcinogens, we (and especially YOU) should be doing all we can to reduce and eliminate the flow of radionuclides into our environment. Raising the amount of permitted emissions from nuclear power plants is unconscionable.
