Re: Address Change
License No. 47-31404-01 /03038261

Dear Sir/Madam:

This letter is to inform you that the physical address of CENTEC Engineering, PLLC has changed. Our new physical address is:

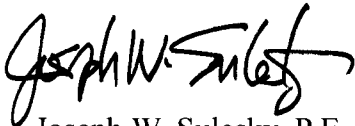

3757 Robert C. Byrd Drive
Beckley, West Virginia 25801

I am requesting that our previous physical address at 110 Sunset Drive, Suite 2 Beckley, West Virginia 25801 be removed from our license. None of our sources has ever leaked. The last leak test on the only source we possess was performed on March 26, 2015.

We have already released the previous location. It was on oversight on my part not to get permission to release the site. I identified this oversight and am attempting to correct it.

I appreciate your assistance with this. Please let me know if there is anything else I need to do.

Sincerely,

Joseph W. Sulesky, P.E.
